## **I. INTRODUCTION / BACKGROUND**

The City of Gastonia, North Carolina (the City) is soliciting and accepting Development Proposals from interested and qualified firms for providing development services for a hotel to be located on the vacant lot adjacent to 145 Dr. Martin Luther King Way located on the south side of the Gastonia Conference Center. This is an opportunity for a developer to be part of the exciting growth of Downtown Gastonia. The Gastonia Conference Center opened in 2012 to offer functional but elegant rental space for both social and corporate events. Over the past two years, the Gastonia Conference Center hosted an average of 400 events annually producing approximately \$760,000 in revenue each year. The Conference Center was constructed with the possibility of connecting to a hotel on the surface parking lot with the connector located on the second floor at the south wall.

Located a short drive from Uptown Charlotte and the Charlotte Douglas International Airport, Gastonia is the largest municipality in Gaston County and the second-largest in the rapidly-growing Metropolitan Statistical Area (MSA). The strong MSA-level trends have led to Gastonia's resurgence as a residential destination for families in neighboring counties, with approximately 35% of families moving to Gaston County coming from Mecklenburg County.

This city-owned potential hotel pad is located at the corner of Dr. Martin Luther King Jr. Way and Franklin Blvd. offering the highest level of visibility and access. Adjacent to the property is a three-story parking deck municipal parking deck that is expandable with an additional three levels to accommodate this potential hotel.

This corner site is 23,885 square feet and 0.55 acres with dimensions of 116.92 feet by 205 feet. Previous hotel studies show support for a 90-key mid-upper-scale product offering select-service. The City would also desire a full-service product based on updated market conditions.

Much of the recent investment in Gastonia's core stems from the creative exciting, amenity-rich offerings in and around Downtown. Downtown Gastonia has been under transformation with new living opportunities in Center City Crossings offering urban downtown living with market rate apartments. Webb Custom Kitchen is a destination restaurant attracting visitors from around the region and was featured in Forbes Magazine. The Esquire offers a boutique hotel option for guests looking for an upscale experience with 35 rooms. The Gastonia Conference Center offers a 5,200 square foot grand ballroom that can seat up to 400 people. With more properties under redevelopment, Downtown Gastonia is trending in a positive direction for growth.

Downtown Gastonia is in walking distance to the exciting new Franklin Urban Sports and Entertainment (FUSE) District anchored by Caromont Health Park and home to the Gastonia Ghost Peppers Atlantic League Baseball team. New developments in the FUSE District include Trenton Mill Lofts and Durty Bull Brewery. The Dillinger and Hangar development are under construction and future projects of Franklin Yards and The Foundry have been announced.

### **PROPOSED SCOPE OF WORK**

The City is seeking a development partner for a public-private partnership with a specialty in hotel development. The City is looking to partner with a development firm to maximize the potential of this important gateway property. The development will serve the public and guests of the Gastonia Conference Center.

The proposed scope of work involves working in collaboration with City Staff to develop:

- A signature hotel that will support the needs of Downtown and FUSE while also supporting the events of the Gastonia Conference Center.
- A project focused on Market and City needs.
- Maximization of the property to increase tax base.
- A proposal that shows how the property will optimize the site and connection to the Gastonia Conference Center.

## II. GENERAL SUBMITTAL REQUIREMENTS AND INFORMATION

### III. EVALUATION CRITERIA

The evaluation of developers responding to this solicitation will be undertaken in order to select a partner and plan that will best serve public interests. City staff will lead and analyze

responses, contact references, and coordinate interviews as necessary. City Staff will evaluate all responses to identify a potential Development Partner and a plan that is viable, will best serve public interests, and can be completed in a reasonable time frame. Responses will be evaluated by the following criteria:

- Development Proposal (30%)
- Qualifications and experience of the development team, with preference given for experience with the type of development proposed in respondent’s plan for the site (20%)
- Level of integration of guiding public interests, to include financial benefit to the City (20%)
- Quality and success of prior development projects and public-private partnerships (10%)
- Demonstrated ability to execute projects of similar scale and complexity (10%)
- List of active development projects and demonstration of confidence in the project (10%)

After a review of submitted proposals, clarifications may be requested. Unless requested by City staff, no additional information may be submitted by developers after the June 10, 2026 deadline. Council will then select their preferred partner to begin exclusive negotiations of a development services agreement.
