ADDRESS OF PREMISE: _____

OWNER/AGENT: _____

OWNER/AGENT ADDRESS: _____

PHONE: _____

Note to Power Company: Do **not** take power out of owner/agent's name until notified by the Code Enforcement's Administrator.

PURPOSE:

To assist owner/agent in completing repairs of substandard dwellings by providing a means of supplying sufficient electrical power to operate power tools and water for testing pipes and cleaning.

QUALIFICATIONS:

1. All Electrical violations and safety hazards must be in compliance prior to issuance. (This may include a certification from a licensed electrician and/or an electrical permit being obtained)
2. The Code Enforcement Officer may require the structure to be secure from entry to unauthorized person(s).
3. The building must be determined feasible to repair by the Code Enforcement Administrator.

CONDITIONS:

1. Temporary power may be granted up to ninety days providing the repair order has not expired. Renewals will not be made except in cases of extreme hardship as determined by the Code Enforcement Administrator. Utilities will be automatically disconnected at the date of expiration.

2. The structure **shall not be occupied** by people, animals, furniture or personal items until all final inspections have been made and approved by the Code Enforcement Division and a certificate of occupancy has been issued.

3. Temporary power is to be in the name of the owner, contractor or agent of the dwelling.

4. A violation of this agreement will result in the loss of future temporary power privileges and will necessitate the use of a temporary power pole. **Also a violation of this agreement will result in immediate revocation of utilities and a $250 citation.**

I have read and agree to this procedure and will abide by the conditions and qualifications under which temporary power is issued. I further agree that failure to comply with this procedure will result in the loss of future temporary power privileges for the owner and/or agent and immediate revocation of utilities.
